

Engage your customer. Get noticed!

Bidvest Data's product Animote allows you to engage your customers by presenting them with personalised, animated communications;

Animote
Personalised animated communications

- Be punchy. Be personal**
- ▶ Punchy month-end bills
 - ▶ Eye-catching marketing & welcome clips
 - ▶ Striking tutorials

Animote is a unique platform to cross or upsell

Maximise on marketing opportunities whilst sending your communication!

We create device responsive animation with trackable links that is sent via email, hyperlinked SMS (SV SMS) or web hosted.

We deliver animation to mobile smart phones, tablets & PC's.

Talk to our team today for a quick introduction to Animote.
